this work traces the evolution of a biblical figure whose legacy grew from that of a scribe who edited or wrote the book of jeremiah to a divine sage granted a tour of heaven itself it charts the significance of a minor figure who gradually became a larger than life hero in the jewish and christian popular imagination in addition to exploring biblical and postbiblical depictions it also shows how the various portrayals reveal the leadership models and religious values of early jewish and christian communities it suggests that these communities reinvented baruch to meet the pressing issues of their day the text examines the scribe as depicted in the bible noting his distinction as one of the few characters whose existence can be attested by archaeological evidence a loyal friend of jeremiah baruch is recorded to have received a mysterious oracle from god in the midst of jerusalem s destruction by the babylonians the volume explores how beliefs about this message provided the postbiblical impetus for baruch s transformation into an apocalyptic seer
